**Attachments:** Talking Points for Meeting with Tribal Leaders.docx; Dewey-Burdock Uranium ISR Timeline 072815 Status version 2.pptx; EPAUICWebConfJune10\_2013Pres.pdf

The presentation doesn't have any slides for the permitting process, so I will add those in. The presentation officially ends with the slide containing my contact info. The slides after that are just there in case any questions are asked about those topics which are easier to explain if there is a picture to talk from.
